I am writing on behalf of Verizon MA to request a one-week extension of the deadline for filing reply comments on the issue of whether the Department should terminate Verizon MA's obligations under the Consolidated Arbitrations performance standards in favor or the standards and penalties included in the C2C Guidelines. Under the schedule originally established by the Department, reply comments are due on February 26. Only Verizon MA and AT&T filed initial comments, and Jay Gruber of AT&T has authorized me to represent that AT&T has no objection to the extension of the filing date.

Accordingly, Verizon MA asks the Department to extend the deadline for the filing of reply comments to Thursday, March 4, 2004.

Thank you for your consideration.
